ALABAMA COUNCIL OF ASSOCIATION EXECUTIVES

The Alabama Council of Association Executives is involved in all types of projects and activities designed to enhance the association management field. Our membership consists of more than 300 professional association management personnel, hotel and motel representatives, convention and visitors bureau representatives and numerous vendors and suppliers.

ACAE sponsors regular educational seminars, offering numerous training opportunities for the membership as well as three major membership events each year. These membership events consist of a tradeshow in the form of a Golf Outing, the Annual Convention, and a Fall Workshop. ACAE also provides a monthly eNewsletter that contains articles and information of interest to all association, governmental affairs, and hospitality personnel. We sponsor a semi-monthly Lunch & Learn meeting where interesting speakers address a myriad of topics.

We hope you will find the 2024 ACAE Membership Directory a helpful reference tool. The format of this year's Directory has many features that should prove beneficial including: the cross reference of members by association/company name, ACAE membership applications, ACAE by-laws and a list of frequently called numbers.

ACAE would like to thank those who advertised in the Membership Directory. Your support of the Alabama Council of Association Executives is very much appreciated.
